## THESE STARTUPS ARE MULLING IPO IN 3 YEARS

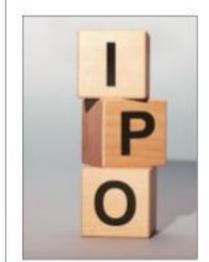

# SoftBank, JPMorgan connect 10 unicorns with mutual funds

PRASOON SRIVASTAVA New Delhi, August 5

JAPAN'S SOFTBANK Investment Advisers and US-based JP Morgan hosted a meeting between large mutual fund houses and 10 unicorns, including Swiggy, and Unacademy, which are keen on going public within three years, sources said.

Mamaearth, Lenskart, Acko, Meesho, Elastic Run and In Mobi also participated in the meeting held in Bengaluru on August 3 and 4. "Indian public asset managers, with \$250 billion under management, met with the leadership of unicorn startups that are eyeing a possible stock market listing in the next 2-3 years. The first such interaction, hosted by SoftBank and JP Morgan, was aimed at building a better rapport between domestic mutual funds and startups well ahead of the latter's IPO plans," a source privy to the meeting said.

### **BUILDING BETTER RAPPORT**

■ Swiggy, Unacademy, Mamaearth, Lenskart, Acko, Meesho, ElasticRun and InMobi participated in the meeting held in Bengaluru on August 3 and 4

■ First such interaction, hosted by SoftBank and JP Morgan aimed at building a better rapport between domestic MFs and startups

Fourteen Domestic Institutional Investors (DIIs) such as HDFC MF, Axis MF, Mirae, ICICI Prudential MF and UTI flew down to Bengaluru for the meeting, the source added.

"The meeting was basically to help unicorns better understand public market investors," the source said.

The interaction also comes

at a time when some of the early digital IPOs (initial public offerings) such as Zomato and Paytm have come under pressure following a steep fall in stock price. The market values of listed digital startups have fallen sharply globally, too, tracking inflation-

ary pressures and rising interest

When contacted, SoftBank

Investment Advisers managing partner and India head Sumer Juneja said DIIs are a vital constituent of the Indian stock market, and they will only get more important with time. "As more tech companies go public and become a more significant part of the indices, it is essential for these two constituents to build a relationship and understand each other better," Juneja said. SoftBank, through SoftBank

Vision Fund, has invested \$15 billion in India of which around \$11 billion has been invested in the last five years.

"The participation of the top mutual funds indicated the high public investor interest in the growth of tech platforms and the rising heft of digital GDP," the source said. SoftBank is the biggest investor in India's digital economy, while JP Morgan has been working with several internet startups in their quest to go public.

## Srei lenders may explore possibility of selling accounts to ARCs

MITHUN DASGUPTA Kolkata, August 5

**LENDERS TO SREI** group companies, which are under insolvency resolution process, may explore the possibility of selling these accounts to asset reconstruction companies (ARCs), including National Asset Reconstruction Company (NARCL), in order to ensure value maximisation.

Significantly, the lenders have earlier extended the deadline to submit resolution plans for the insolvent Srei firms by 10 days to August 10, after three of the prospective bidders requested them for the extension of the timeline. The deadline earlier was July 30. It has been

have to take is that they have to see if any of the ARCs, including NARCL, are interested in these assets.And, if they are interested in Srei, what is the price they are offering. Whether it makes sense for us, because after the sales we (lenders) will get cash upfront immediately," Prasad told reporters during a virtual press meet to declare Uco Bank's quarterly results on Friday.

Prasad said lenders are still at "avery preliminary stage" on the subject of exploring the possibility of selling Srei accounts to ARCs as they have not even received a price "quote" from NARCL. "We are having a joint lenders meeting on Monday (August 8), where we will also check with other banks on

whether they have any interest. Because the decision has to be taken by the consortium...this is an option we can explore. It is not that I am saying that I will take this option. We will have to look at various options," he said. The process of corporate

insolvency resolution for the two Srei group companies would continue even if the lenders opted for selling the assets to ARCs, he added. Three potential investors had earlier requested the Committee of Creditors (CoC) to extend the deadline for submitting resolution plans based on their deliberations with the CoC. After that the CoC has considered an extension of 10 days for final submission of the plans to the administrator.

 Exceptional and/or Extraordinary items are adjusted in the Statement of Profit and Loss in accordance with the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013. The Zero COVID policy in China and the resultant COVID related shutdown there have resulted in a sharp contraction of demand for PVC resin in that country. On account of this, there is a spike in exports of PVC resin from China, leading to a steep fall in finished products prices in India as well as feedstock prices. In line with generally accepted accounting principles, the Group has written down the carrying value of stocks of major intermediates and finished products, to levels corresponding to the net realisable value of finished products, leading to an exceptional charge in consolidated and standalone financials of Rs 80.50 Crores and Rs 49.80 Crores respectively.

 The consolidated and standalone financial results for the quarter ended June 30, 2021 have not been reviewed by the Statutory auditor of the Company. However, the management has taken necessary care and diligence to ensure that the financial results are fairly stated.

d) Other Equity as per consolidated and standalone financials (excluding revaluation reserve) as at March 31, 2022 was Rs.26.70 Crores and Rs. 2580.25 Crores respectively.

Working Group. 4. During Q1 FY 2022, India experienced a "second wave" of COVID-19, including a significant surge of COVID-19 case following the discovery of mutant coronavirus variants.

The impact of COVID-19, including changes in customer behaviour caused / triggered by disruption to their income, due to restrictions on business and individual activities, had led to significant volatility in Indian financial markets and a significant decrease in local economic activities. Whilst business activities have since nearly reached pre-COVID levels, the lower collection efficiency with respect to the COVID-19 impacted portfolio originated up to June 2021, has led and could lead to further rise in customer defaults on this impacted portfolio. The Bank continues to hold floating provisions of ₹ 91.28 crore as at June 30, 2022 (March 31, 2022: ₹ 91.28 crores).

2. The RBI vide its circular dated April 7, 2022 on establishment of Digital Banking Units (DBUs), has

prescribed reporting of Digital Banking Segment as a sub-segment of Retail Banking Segment Indian Banks' Association (IBA) has formed DBU Working Group which include representatives of

banks and RBI. The reporting of Digital Banking as a separate sub-segment of Retail Banking

Segment, as applicable, will be implemented by the Bank based on the decision of the DBU

From April 01, 2022 the Bank has started recognising fees received from the sale of PSLC on upfront basis. For the guarter ended June 30, 2022 the Bank has PSLC income of ₹ 28.74 crores. Had the Bank continued to amortise the fees from sale of PSLC, the Other Income for the quart ended June 30, 2022 would have been lower by ₹ 21.55 crores.
- The Reserve Bank of India (RBI), in exercise of powers vested in RBI under the provisions of section 47 A (1) (c) read with section 46 (4) (i) of the Banking Regulation Act, 1949, has imposed a monetary penalty of ₹ 57.75 lakh on the Bank for non-compliance with the 'Reserve Bank of India (Frauds classification and reporting by commercial banks and select FIs) directions 2016' due to delayed reporting of frauds and failure to report fraud complaints to the police authorities in certain cases pertaining to periods up to financial year ended March 31, 2019.
