We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. ### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended 31<sup>st</sup> March, 2023. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Ind AS financial statements. | Key Audit Matters  | How our audit addressed the key audit matter   |

| <p><b>1. Revenue Recognition</b> (Refer to the accounting policies in Note 2 to the Ind AS Financial statements)</p>   |  |
| <p>Revenue from the sale of goods is recognised upon the transfer of control of the goods to the customer. The Company uses a variety of shipment terms across its operating markets and this has an impact on the timing of revenue recognition. There is a risk that revenue could be recognised in the incorrect period for sales transactions occurring on and around the year-end, therefore revenue recognition has been identified as a key audit matter.</p> | <p>a) Our audit procedures included reading the Groups revenue recognition accounting policies to assess compliance with Ind AS 115 "Revenue from contracts with customers".</p> <p>b) We performed test of controls of management's process of recognizing the revenue from sales of goods with regard to the timing of the revenue recognition as per the sales terms with the customers.</p> <p>c) We performed test of details of the sales transactions testing based on a representative sampling of the sales orders to test that the related revenues and trade receivables are recorded taking into consideration the terms and conditions of the sale orders, including the shipping terms.</p> <p>d) We also performed audit procedures relating to revenue recognition by agreeing deliveries occurring around the year end to supporting documentation to establish that sales and corresponding trade receivables are properly recorded in the correct period.</p> <p>e) Assessing and testing the adequacy of presentation and disclosures.</p> |
